## TURNING TO GREEN HORIZONS

TAP celebrates its anniversary every April. Praise GOD that it will be turning 41. Each April every two years, TAP members come together to elect its new set of officers. ## JOIN US IN APPROACHING GOD'S THRONE OF GRACE

### DECLARE BLESSINGS TO ALL OUR TRANSLATION WORKERS

(mother-tongue translators, community checkers, project facilitators, team leaders, exegetes and consultants) – We covet your intercessions for those serving unselfishly among indigenous people groups, mostly located in hard-to-reach places. Pray favor from the Lord of the Harvest so that their sacrifices and hard work will touch the communities they are serving. May the Lord grant them good health and well-being, as they consistently seek to honor Him.

### MORE MOTHER TONGUE TRANSLATORS, PROJECT FACILITATORS, EXEGETES, CONSULTANTS and CONSULTANTS IN TRAINING (CIT)

As doors are opening for the work of Bible translation, in written or oral, we need more workers who would respond to the growing needs in Isneg-Conner Apayao, Sadanga, Tandaganon, Sumadel, and Agta Nagtipunan. May the Lord of the Harvest supply according to His riches in glory by Christ Jesus. May those who have been encouraged to take the CIT course submit themselves to the rigorous training to aide in meeting the felt needs both here and abroad.

### MORE ORAL BIBLE TRANSLATION PROJECTS

As most of our indigenous people groups are basically oral learners, Oral Bible Translation project is deemed to increase in the ensuing year. Pray for our trained Trainers to squeeze their schedule to make their training enjoyable, easy to learn and most of all intensifying the people's desire to crave for more; so, all those trained would take part in the translation team.

*"Let us, your servants, see you work again;  
let our children see your glory.  
And may the Lord our God show us his approval  
and make our efforts successful.  
Yes, make our efforts successful!"*  
Psalm 90:16-17, NLT
