

TAP Prayer Bulletin

February 2022

February is LOVE MONTH. Let us pray that as followers of Christ we may reflect His love to those around us, especially to those ever craving for genuine and undivided attention. Introduce Him who never tires loving unconditionally. He alone has the incredible ability to seek the highest good of the one He loves. He keeps loving even when the one He loves doesn't reciprocate the love He offers.

May the love of Christ compel us all to share the greatest gift we received from Him. He is the source of genuine love. And if we truly love our brothers, we would intercede for them, seeking their highest good!

Let us pray for one another. Ask the blessings of the Lord for our 16th Biennial Conference in April. You may want to join the prayer team in praying and fasting for the said event. Please approach Alfred Mijares for details.

Keep praying for those left homeless and penniless by typhoon Odette. Let's pray and practice love in action.

"Everything is possible for one who believes." Mark 9:23

PRAISES TO OUR ABBA FATHER!

** Our dear colleagues and their respective families who caught Coronavirus are now all fully recovered! Our God hears our joint petitions. Thank You, our Jehovah Rapha!*

** Some of our supporters were aware of the damage typhoon Odette brought to our countrymen and we've been privileged to be channels of those little steps of help towards them. Glory to God!*

**The Prayer Committee for the 16th Biennial Conference initiated prayer and fasting especially for the coming conference in April. Praises to God for the spirit of prayer binding us!*

Pray Until Something Happens (PUSH!)

Keep praying for the 16th Biennial Conference Over-all Coordinator: Ptr. Mario Albelda

Since the Conference would be online, pray for uninterrupted internet connections especially during the Conference. Pray for wisdom so the Team would be quick to spot and respond to technical issues.

Keep praying for God's next batch of TAP leaders. By April, our current ED will have reached the maximum term. Let us pray for the smooth turnover of the leadership to the next ED. Pray for the next Executive Director.

Along with the new ED, a new set of Board of Trustees will also be elected. Pray for those who are current members of the BOT who have decided to let their name stand as nominees, willing to serve for another two-year term. Ask the blessings of the Lord of the Harvest for the new BOT members who would be elected.

Keep praying for God's provision of our need for RESOURCE DEVELOPMENT COORDINATOR. We are having a fundraising event for unfunded projects: Teduray Old Testament and Ayta Ambala New Testament translation projects in May. Join us in asking God for our desire to employ a Resource Development Coordinator.

Keep praying for God's will regarding the timing of our application to Philippine Council for NGO Certification (PCNC) and the completion of all the required documents before April, 2022.

Keep praying for TAP website to be operational again. TAP website was hacked by robots, infecting malware into our hosting files. It is needless to emphasize how important our website is to us. Pray that it would be operational again.

Keep praying for Friday Prayer Fellowship where TAP family gathers and shares our joys and challenges, our fears and victories as we altogether rejoice in seeing God's mighty hands moving, responding to our joint petitions.

MINISTRY WITHOUT PRAYER BECOMES WORK IN THE POWER OF THE FLESH.
PRAYER WITHOUT MINISTRY IS COMPLACENT CHRISTIANITY.
