NEW SET OF LEADERS, 2022-24

We are so grateful to God for the success of our 16th Biennial Conference. It was our first hybrid conference meeting, where some were physically present in the office while the rest were attending virtually. We attribute the success to the faithful intercessors who chose to start each day with Dawn Watch Prayer led by the Prayer Committee. Thanks to those who prayed & fasted. Glory to God!

Ptr. Joseph Villaflor is our new Executive Director. Our outgoing ED has served a maximum of three terms or six years. Pray for a smooth transition of leadership and may the accreditation process with Philippine Council for NGOs Certification (PCNC) started by the outgoing ED would still be pursued.

Incoming ED
JOSEPH VILLAFLOR

Outgoing ED
JAMES DAGUMAN

Pray for our outgoing ED, James Daguman as he continues to work on other steps prior to handing over the post to the new ED. Pray for good health, fruitful bonding & family time to replenish his strength after a long haul especially in the most crucial moments in global history where the “new normal” had been widely practiced. Pray that the LORD would grant wisdom and strength to Joseph Villaflor as he leads TAP in the next biennium, inspiring and unifying the members towards a common goal.

Oral Bible Translation (OBT) Workshop

On April 25-May 13 for the two language groups: Inati and Binukignon in Negros Occidental. Let us pray for these language communities as the participants conduct community checking of narrative texts. Pray for spiritual covering because the spiritual warfare is so strong in the presence of a number of “babaylans” in the community. Our field workers need prayer shielding: Lito, Jing, and Chitse. Pray for their consultants: Alfred and Racquel Mijares, who left their children back home as they respond to their call of duty.

Pray also for the Ata group in Negros Island so that the Holy Spirit would move among the Ata people that they would hunger to know Jesus Christ and find him as the way, the truth and the life. May the Lord raise a hunger to have God’s Word in their language like that of the Inati and the Binukignon. Touch them, o Lord!

Fundraising Event Coming Up

Ask the Lord of the Harvest to grant our leaders unity and creativity in handling the coming fundraising event in the absence of a trained Fundraiser. May the project facilitators of Ayta Ambala NT and Teduray OT translation projects invest time to communicate the blessings and the challenges, including the financial shortfall. May the Lord open the windows of heaven to pour out His blessings on these projects.

MINISTRY NEED/ WANTED IMMEDIATELY: FUNDRAISER

We are looking for someone whose prime responsibility is to lead the organization in organizing events and campaigns to raise funds and other kinds of donations for specific needs of the organization, expanding our ministry among churches as well as for nonprofit agencies in the Philippines.

If you are interested and have acquired experience as described above, you may consider this job for you or you may know somebody who would be fit for the task, you may want to ask the person to consider communicating with the Human Resource Development Director of TAP, 09189629262 (Smart). You may also choose to email, hr@translators.org.ph for more details.

Unstoppable Transitions ...

Changes. Inevitable. Part of growing and moving forward. As a result of the most recent Biennial Conference, we really need to change gears, realign our tires and keep going onwards with our Great Shepherd on the lead ...

We will appreciate your faithful intercessions. And as part of these transitions, TAP Family, through the able leadership of Alfred Mijares started the Dawn Watch Prayer every Monday from 5-6am. Kindly include us in your prayers so we will be found faithful to keep what the Spirit has enabled us to observe during each dawn during our 16th Biennial Conference. May we also leave footprints worthy of emulation to the glory of the One who has the power to grant our requests. Pray for transitions from the outgoing Administrative Committee (AC) to the incoming AC members. May we all work hand-in-hand to welcome and expedite the changes and transitions. Help us, o Lord!
