PRAYER BULLETIN

Praises and prayer requests of TAP Family for the month of October, 2023

*the work force of THE JOURNEY
held at GCF Ortigas on September 23*

The Journey is a simulated activity of what someone called out to be a missionary may have to go through. Its primary objective is to stimulate the hearts of participants to get to the core of God's heart – missions! The workforce and the logistics needed are enormous such that the last we had before this year was still in 2015. Praise God that this year, we had two: the first was in June at Makati Gospel Church and the second was at Greenhills Christian Fellowship, Ortigas.

Prayers and partnerships are the keys that unlock these doors of fresh opportunities in order to bring in the sheaves. Pray with us that the Lord of the Harvest would allow this activity not only to bring awareness on global mission realities but that it would also bring about new breed of translators, language workers, and those with great assistive technologies to hasten the translation process. We covet your continued intercessions.

The Scripture App Builder and Dictionary App Builder Training held on September 11 to 14 with Ian McQuay all the way from Australia, sharing his expertise. Pray that we would also be able to pass on the learning to the other teams not represented during those 4-days training.

PRAYER POINTS

- * For the respective language communities to acquire the appetite to read through the translated Scriptures and participate in community checking.
- * Endurance of the Teams as they are nearing the finish line, especially for the Guina-ang NT which will be launched on January 28, 2024.
- * Pray for God's favor as the Teams upload the translated portions, making them available for greater participation in community checking.
- * Good health for the Team members and their respective families.
- * Pray for the language groups with radio program that airs translated portions so the speech communities will have greater participation in community check and may the Word of God not return void and accomplish its purpose.

Representatives from the 3 dialects of Tinagbanwa convened to discuss issues on documenting and developing their heart language. High officials from the Komisyon sa Wikang Filipino (KWF) were actively engaged and the process involving the National Commission on Indigenous People (NCIP) progressed well. The people left the two-day meeting excited to come back early next year to resume and complete the orthography development process. Please keep praying for them and claim Psalm 66:5 *"Come and see what God has done, how awesome his works in man's behalf!"*
