The Bible Translation Assistant (TBTA) Team

"For I, the Lord your God, hold your right hand; it is I who say to you, 'Do not fear, I will help you'."

Isaiah 41:13

What's the Team all about?

The loving Father, who cares about our every need has provided a partner to speed the translation process by providing an exegetical application software – a computer program that aims to hasten the translation process without compromising some needful steps to maintain the clarity, accuracy, naturalness of the message in a way that is generally acceptable by the speakers of the receptor language.

The TBTA Team needs our prayers. The goal of speeding up the translation process would mean a greater number of people will have access to the WORD that could transform lives, communities and nations for Christ. These five young people (from the right) have passed a selection process and have committed themselves to finishing the task, with one of our Translation Consultants, Vicente 'Ting' Bejo who will oversee the working progress.

Pray for these five new faces who would be working on an exegetical app deemed to fast track the translation process without compromising the quality. Also pray that one or two or all would consider membership to TAP as they go through the process.

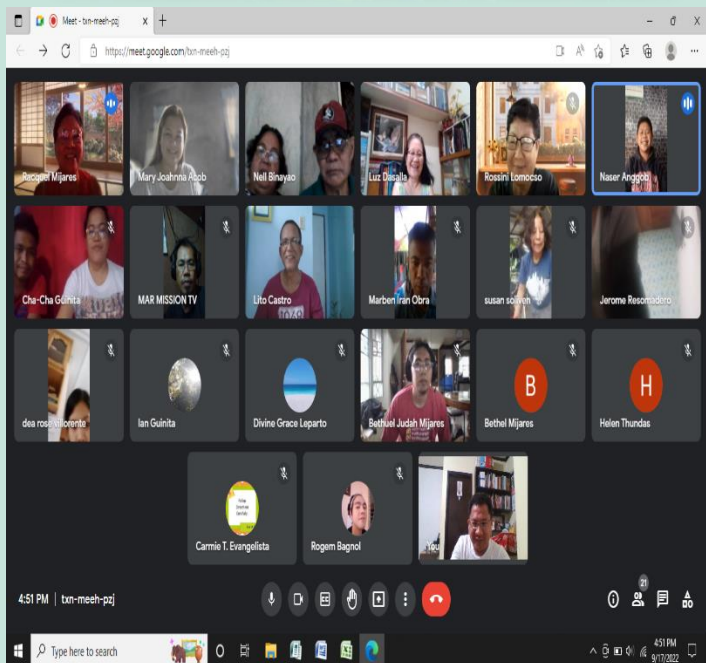

The Ayta Ambala NT Translation team (L-R): Olivia, Lala, Mercy and Orlan. They were very happy showing the 'goods' they got from our boutique for field workers. Thank You, Lord for the generosity of those who give to encourage our visiting field teams.

Please pray also that those who have more than their closets could hold will find it in their hearts to be open to give towards this purpose of blessing our field teams. The joy in the faces of the field teams cannot be amply captured by cameras. Several answered prayers were uttered by them as they got the items they need from the available stuff. Please pray for more to bless more.

Thank you for praying for the new Kinamayú NT team: (L-R) Abbey Kaye, Hony Lette, Lennett and Pastor Jojo. They have been busy last week in community checking of the Book of Romans. Keep praying for them as they prepare for the Consultant checking this month with Marie Castillo as their Translation Consultant. Pray for the Uninitiated Natural Speaker (UNS) that the power of God's Word will speak to him/her in the process of Consultant checking. Also pray for traveling mercies for Marie on October 15. Also pray for good health for everyone in the Team.

One of our Translation Consultants, Racquel Mijares offered to teach Basic Exegesis Seminar to TAP and Wycliffe Philippines for 4-5 consecutive Saturdays so as to help project managers or facilitators and others to better understand the significance of right exegesis and how profitable it is to go through the process for everyone involved in the ministry of bible translation. Pray for participants that they would continue to sharpen the saw as they put into practice the learnings from this seminar. Ask the Lord to grant more wisdom for Racquel as she has been very willing to impart what she has to everyone with a teachable heart and spirit. Pray with us for uninterrupted internet connectivity, no power outages/interruptions & sessions won't get hindered.
